

VITANICA® ~ BUTTERBUR EXTRA™

Butterbur Extra provides supportive nutrients and botanicals for healthy brain chemistry and vasculature, thereby promoting relief for occasional headaches.

Featured Ingredients:

- Our **Butterbur root extract**, containing 15% petasins, shows in research to promote a healthy inflammation response in the vessel walls. This extract is free of pyrrolizidine alkaloids, or PAs
- **Ginger** is another herb with an excellent and historical herbal track record of promoting a healthy inflammation response
- **Feverfew** is a popular traditional botanical promoting relief from occasional headaches, and research has supported this effort
- Other important nutrients supporting healthy brain chemistry: **Magnesium, Riboflavin (B2) and 5-HTP**

Indications: Promotes relief from occasional headaches with traditional herbs and researched ingredients supportive for healthy and balanced brain chemistry and brain vasculature.

Suggested Use: 2 capsules, once or twice daily.

Size ~ 120 caps; UPC code ~ 7-08118-02290-6
