

VITANICA® ~ CORTISOL RELIEF™

Cortisol Relief promotes healthy reduced cortisol levels and thus promotes reduced stress, promotes relaxation, promotes a deeper and restful sleep cycle and maintains optimal health and aging.

Featured Ingredients:

- Adaptogenic support with: **Ashwagandha root** & **Cordyceps** promoting healthy stress adaptation and a regulated sleep circadian rhythm.
- **Magnolia** with **Phellodendron (Relora®)**, a proprietary blend, has been shown to promote normal hormone levels associated with stress-induced obesity. It promotes lower cortisol by as much as 37%
- **Phosphatidylserine** is an important brain nutrient and promotes maintenance of normal and healthy cortisol levels
- **L-theanine** & **Lemon Balm** also promote calm and reduced feelings of stress
- **Mimosa tree bark** comes from the Mimosa tree, “the tree of happiness”, which is known to influence important neurotransmitters to support the mood, optimize the time it takes to fall asleep, and reduce mental chatter

Indications: Cortisol is a stress hormone the body needs to regulate the stress response in the brain. It also plays a role in regulating blood pressure and glucose utilization, which insures that our body can react as fast as possible with good energy and alertness. However, when cortisol levels remain inappropriately elevated for extended periods of time... it can lead to significant disruption several support systems. Cortisol Relief promotes healthy stress responses and supports maintenance of healthy sleep patterns.

Suggested Use: 1 capsule daily. For best results, take with an evening meal.
