

VITANICA® ~ BITTERS TONIC™

Tasty Tonics® are concentrated liquid herbal formulas designed with therapeutic doses and blended with natural flavors & essential oils to taste great and encourage compliance for daily use. Bitters Tonic™ promotes healthy digestive processes, and with good taste. Packaged in beautiful green glass.

Featured Ingredients:

- **Gentian root**, a.k.a. Bitter root and **Dandelion root** are traditional use herbs in promoting the body's normal process to stimulate bile and enzymes in preparing to digest fats, carbohydrates and proteins
- **Dandelion root** has the added benefit of promoting production of Bifidobacterium
- **Fennel seed** is included for its digestive support properties and also as a sweet herb, which is a traditional component of bitters formulas
- **Orange peel** promotes appetite and maintains healthy digestive processes, including those of the liver and gallbladder

Indications: Support for a healthy digestive system, including appetite and promoting digestive enzymes to encourage best absorption of nutrients from our food.

Suggested Use: Shake well before using. Adults: ½ to 1 teaspoon, before meals. Dilute in 2-3 ounces of warm or cool water, or to taste as a tea. May also be taken undiluted, directly in the mouth.

Size ~ 4 ounces; UPC code ~ 7-08118-01322-5
